**Corn Limpers! Use**  
**"Gets-It" and Smile!**

Corns Come Right Off, Clean and  
Quick! You Needn't Limp, or  
Fuss With Your Corns  
Any More!

What's the use of spoiling a good  
time for yourself by limping around  
with fierce corns? It's one of the  
easiest things in the world, now, to  
get rid of them. "Gets-It" does it

"These Corns Come Right Off, Clean As a  
Whistle, by Using 'Gets-It'!"

the new way. That's why "Gets-It" has  
become the corn remedy of America,  
the biggest selling corn remedy in the  
world, preferred by millions. Do you  
remember that too-eating salve you  
tried, that sticky, tape, that too-  
bundling bandage, the gouging you've  
done with knives, razors and scissors?  
Well now, forget them all. No more  
fussing, no more pain. Whenever you  
use simple, easy "Gets-It," the corn is  
doomed, sure. So in every callus,  
wart or bunion. Never cut corns  
or calluses, it makes them grow that  
much faster and increases the danger of  
blood poisoning. No cutting is necessary by  
using "Gets-It." Use it tonight and end  
your corn existence.

"Gets-It" is sold by all druggists,  
25c a bottle, or sent direct by E.  
Lawrence & Co., Chicago.

Sold in Cookeville and recommended  
as the world's best corn remedy by  
J. H. Watts.

## WHAT CATARRH IS

It has been said that every third  
person has catarrh in some form.

Science has shown that nasal catarrh  
often indicates a general weakness  
of the body; and local treatments in  
the form of snuffs and vapors do little,  
if any good.

To correct catarrh you should treat its  
cause by enriching your blood with the  
oil-food in Scott's Emulsion which is a  
medicinal food and a building-tonic, free  
from alcohol or any harmful drugs. Try it.  
Scott & Bowne, Bloomfield, N. J.

**UNITED MISSION STUDY**  
The United Mission Study class  
met Dec. 14, in the library of the First  
Presbyterian church, with a very good  
attendance. Subject: A Healing  
Force. Mrs. Sisk conducted the les-  
son, and for a Scripture lesson read  
some of the healing miracles by Jes-  
us, from the eighth chapter of Mat-  
thew.

The discussion of this subject was  
helpful in many ways. First: We  
learned that the new force Christ's  
compassion brought into the world  
was a healing force. The compassion  
of the Christ reached and lifted the  
hopeless heart of suffering humanity  
as his touch soothed the torturing  
agony of disease and brought hope  
and healing into a world hardened to  
pain. Second: That all the early hos-  
pitals were church institutions, thus  
we find that religion, not medicine,  
gave birth to hospitals. Third: The  
first hospital was established in the  
United States, on Manhattan Island,  
in 1658, for the reception of sick sol-  
diers. Fourth: Sanitation. Dr. James  
Tilton says: "Infection is more dan-  
gerous than weapons of war." Fifth:  
Mrs. Craig gave a beautiful sketch of  
the life of Florence Nightingale. She  
was a noble christian woman and gave  
her life to nursing and helping hu-  
manity. She was the originator of the  
Red Cross work.

Great good is the result of each of  
these lessons. Why don't more wom-  
en attend the meetings?

We will have no meeting during the  
holidays. The next meeting will be  
on Tuesday after the second Sunday  
in January. Subject:—An Integrat-  
ing Force.

Mrs. Dowell dismissed us by pray-  
er. Mrs. O. D. Massa, Press Reporter

Mt. View Lodge no. 179, I. O. O. F.,  
met at the usual hour, 7 p. m., Dec.  
11th, 1915, J. M. Quarles, N. G., pre-  
siding, with a moderate attendance.  
Quite a lot of routine business was  
disposed of. Bros. Bradford and Mac-  
sa are still improving. Discussions  
pertaining to our celebration on the  
17th, inst., seems to have been pro-  
ductive of much good, in bringing  
about an understanding of what  
should be done on this memorable oc-  
casion. Since the institution of Mt.  
View Lodge there has been approxi-  
mately 700 initiations, under its man-  
agement, into the order. A great  
number during the 42 years have  
been dropped; about 28 brothers have  
died and were buried with the honors  
of the order; and a like number of  
brothers' wives have died during the  
existence of the Lodge. Numerically,  
this is the sixth in the state, there  
being but five lodges with a larger  
membership. Its expenses since  
1910 have approximated \$1000.00 a  
year. We have five wards in the  
Home and four who are elected and  
will be sent to the Home in a short  
while. All should attend our meet-  
ing on the 17th, inst.

## STORY TELLERS' LEAGUE

The regular monthly meeting of  
Story Tellers' League took place Fri-  
day afternoon at 2:15 with the pres-  
ident, Mrs. Comer McDearman, pre-  
siding, and a good attendance.

Mrs. McDearman opened the meet-  
ing with a resume of the work done  
by the League the term just passing.  
It will be remembered Mrs. McDear-  
man served last year as chairman of  
a committee appointed by the Parent-  
Teachers' Association. Early in the  
term it was thought best to organize  
a League separate and independent  
of the Parent-Teachers' Association.  
This plan has proven much more  
effective and the Story Tellers' League  
is now a well organized body of en-  
thusiastic and earnest workers.

At this meeting year-books were  
distributed among the members.  
Dr. Walter McClain gave a short  
talk which was enjoyed very much.  
The next meeting will be held the  
second Friday in January.

## MULE SALE!

Cookeville, Wednesday, Dec. 22d

30 head, nearly all in pairs, yearlings and two-year-olds  
Nearly all gentle and easily handled

These mules were raised in Missouri from Tennessee jacks that  
brought as high as \$1300.00 This is the best lot of mules of their  
ages we have ever owned. Nearly all halter broke. While they  
have plenty of bone and weight, they also have just as much finish  
as our Kentucky or Tennessee mules. We have handled quite a  
number of loads of mules in the past and find they give better sat-  
isfaction than any mules we have ever handled. These mules  
were specially bought to suit the farmers of Putnam and adjoining  
counties, and were bought by one of our firm who ought to know  
what would suit them. The yearlings in this load run from 14½ to  
15 hands high and are the right kind. Come to the sale, rain or shine.

## NOTICE

On the same day we will buy every mule we can that is worth the  
money. Bring your mules and sell them and buy an extra good  
pair. Boys, remember the last time we were here we bought two car  
loads on the streets, so bring them in.

Grissim, Thomson & Taylor, Lebanon, Tenn.
